PROFESSIONAL SUMMARY

Motivated and detail-oriented Full Stack Developer skilled in building responsive web applications using the MERN stack. Proficient in both frontend and backend development with strong problem-solving abilities. Passionate about clean code, teamwork, and delivering user-friendly digital experiences.

EDUCATION

Kerala University – UIT Kottarakara <i>Bachelor of Computer Applications (BCA)</i>	Kerala, India 2021 – 2024
Board of Secondary Education– St Goretti HSS, Punalur <i>Science</i>	Kerala, India 2019 – 2021
Board of higher secondary Education– St Mary's HS, Aryankavu	Kerala, India 2019

EXPERIENCE

Full Stack Developer Intern <i>Mashup Stack</i>	Jun 2024 – Feb 2025 Kerala, India
PHP Coding Intern <i>Softsaze Solutions</i>	Mar 2024 – May 2024 Kerala, India

• Completed hands-on training and internship in the MERN Stack (MongoDB, Express.js, React, Node.js).
• Developed full-stack web applications including an OTT platform (CineStream) and Medical Store Management system.
• Worked on user authentication, CRUD operations, RESTful APIs, and responsive front-end design.
• Collaborated in an agile environment to deliver real-world project solutions.

• Assisted in developing and maintaining dynamic web pages using PHP, MySQL, HTML, CSS, and JavaScript.
• Implemented database operations and basic backend logic to support web functionality.
• Gained exposure to MVC architecture and improved debugging and testing skills.

PROJECTS

CineStream (OTT Streaming Platform) – <i>MERN Stack (MongoDB, Express.js, React.js, Node.js)</i> CineStream is a cutting-edge OTT streaming platform designed to deliver a seamless and immersive entertainment experience. It offers a vast collection of movies, series, and exclusive content, providing users with a smooth viewing experience and an admin dashboard for content management.

CinemaTicket Management System – <i>HTML, CSS, Bootstrap, PHP, CodeIgniter</i> Developed an online movie ticket reservation system that integrates multiple theater chains, real-time seat availability, dynamic pricing, and promotional features to offer users a convenient and efficient booking experience.
--

Bakery Management System – <i>HTML, CSS, Bootstrap, PHP, Smarty</i> Created an online bakery management platform for home-based businesses, featuring product listings, order tracking, and delivery management for homemade baked goods such as cakes, cookies, and bread.
